Welcome to Qion

Science is now proving what all those involved in complementary and alternative medicine have known for thousands of years - that optimum health, and ill-health, is brought about by the environment, i.e. what we eat, what we do, how we feel and most importantly, what we think.

Qion's aim is to provide a forum for people to feel good.

We wish to provide information, treatments and courses on as wide a range as possible of subjects. The idea is that eventually, all will be represented under the Qion umbrella, that Pietrasanta will become known as the place to come for healing on every level...
